

# Sprocket Wireless Hearing Aid Compatible Phone List

The following pricing is subject to change without notice, and assumes service with Sprocket.

This is a list of HAC-compliant phones that Sprocket carries at this time. Each phone has text messaging capability, and most have picture-messaging capability ( picture-messaging requires a data plan). Models are presented here by category of price for easy selection.

**ADVANCED:** \$300 or more; generally offer enhanced features such as higher quality camera, Bluetooth, video capabilities, internet access, high-speed processing, touch or tilt screen, email, and Windows Office Mobile.

**AVERAGE:** \$150-\$299; generally offers lower-quality camera (compared to advanced models), Bluetooth,internet access,increased memory capabilities,larger phonebook capacity,enhanced color display and increased talk time (over basic models). However, may be older, less stylish phones.

**BASIC:** Less than \$150; offers the necessary wireless features, may have lower quality camera, Bluetooth or internet capabilities.Typically offers smaller phonebook capacity and average talk time. Most of these models are generally larger in size compared to more advanced models and lack features such as MP3 players, expandable memory and download capabilities.
